Background

The Summer Youth Program Fund (SYPF) is an independent grantmaking program founded and managed by local funders who support, or are interested in supporting, agencies that provide summer programming for Maricopa County youth. The purpose of the SYPF is to supplement existing programs in order to enrich, enhance and expand summer offerings for children and youth.

The SYPF recognizes that summer programs, particularly those serving economically disadvantaged youth, require financial assistance to provide creative and recreational outlets while fostering personal development and life-long learning.

During out of school time, young people tend to engage in the highest levels of health-harming behaviors.

Targeted programs provide a continuum of care during the summer months and offer opportunities for youth to develop and sustain enriching and healthy lifestyle activities that will divert them from negative behaviors.

Grants will be made to organizations that match the criteria of individual funders participating in the collaboration. Collaborators include the Arizona Community Foundation (ACF), Arizona Republic Season for Sharing, Helios Education Foundation, Hickey Family Foundation, Nina Mason Pulliam Charitable Trust, Thunderbirds Charities, Virginia G. Piper Charitable Trust and Burton Family Foundation.

Review and Evaluation Process

All proposals will be reviewed through a competitive evaluation process. Please feel free to use the rubric on the next page as a reference when preparing your application.

First Screening of Applications

- Questions may be posed to applicants for clarification on IRS status, documentation, or eligibility.

Second Screening of Applications

- Proposals are reviewed and evaluated by the grant review panel, comprised of SYPF funders. The grant review panel will assess proposal strengths and weaknesses according to evaluation criteria.

Frequently Asked Questions:

Q: Will the SYPF program potentially lead to decreased funding from participating funders?

A: No. Organizations should consult the guidelines of other funders. The SYPF presents an opportunity to streamline the overall process of seeking funds for summer youth programs.

Q: What if a participating funder has a "one-time grant per year" policy?

A: The application process allows an opportunity to decline review of the grant by both funder and applicant.

Q: Is there an accreditation requirement for organizations running residential camps?

A: Recognizing various "types" of camps (i.e., overnight, day camps) hold different requirements to operate, the SYPF will require such items where applicable.

Q: Define "youth."

A: School aged, kindergarten through grade 12.

Q: When must programs be conducted, i.e., define "summer"?

A: When school is not in session between Memorial Day and Labor Day.

Q: Is an organization with multiple branches only allowed one application per site, i.e., a Boys & Girls Club?

A: A 501(c)(3) organization with multiple branches is allowed one application for each eligible program site.

Q: May I apply for and use SYPF funds for any type of cost associated with my summer program?

A: No, the intent of the SYPF is to fund programs rather than capital costs such as equipment, vehicles, facility enhancements, building repair and maintenance.

Q: May I apply for and use SYPF funds to cover the cost of transportation?

A: Yes, SYPF will fund a portion of the cost associated with transportation for program participants to and from program sites. The request should not exceed 10% of the total grant request.

Q: May I apply for and use SYPF funds for youth employment programs?

A: No. While this need is recognized, SYPF is focused on 'traditional' programs incorporating the specific priorities outlined above and is not funding youth employment at this time.

Q: How much of my summer program budget can I request funding for?

A: An organization may request up to 50% of the total program budget. Applications requesting more than 50% of the total program budget will be declined funding.

Q: Can schools or municipalities apply to the SYPF funding cycle?

A: No, neither schools nor municipalities can apply to the SYPF funding cycle.
